In looking back on the last year hopefully, you agree the club is in a better place starting 2022 than 2021. a lot of improvements and enhancements have occurred throughout the club. We believe that our work is not yet complete, and we are planning for significant improvements in 2022 across all club areas.

- Christine Rothwell will be the Chairperson for the 2022 Events Committee. Christine will do an excellent job, but she needs the rest of us to assist in making these events a success.
- Valentine's Party will be the next event, details to follow.
- Helen H trip has been scheduled for June 21st and 22nd out of Hyannis. Registration details to follow.
- CMMTC will be rolling out a completely revamped sponsorship program for 2022.
- We want to share the success of our member boats with our members. Owners, captains, mates and anglers please send us your pics, stories and results. Send photos, fishing stories, etc. to cmmtc@capemaymarlintunaclub.com
- The CMMTC is available for use for events/parties by members and for member sponsored events in addition to club sponsored events. Contact our Bar Manager, Michelle Ragno, to confirm availability, to schedule and have the event approved by the Board.

- The club parking lot shall not be utilized for vehicular parking whether a member or not when they are not actively using the club building.

- The dues discount period has expired. Remember your dues must be paid in full to utilize the club facilities and to attend club events.
- The previous new member recruiting incentive program has been eliminated effective Dec 31st.
- The Club is Open Tuesday thru Sunday from 4 pm to close.
- The CMMTC Staff, Board and Committees have worked hard during the 2021 year and are planning for additional upgrades and enhancements for the 2022 season. If you are interested in assisting or being on a committee, contact the committee chair or President.

I would like to continue to thank the 2021 and 2022 board members, committee members, our great staff and every club member for your support and dedication to the Club. A lot of time and effort goes into doing the required work of these Volunteer Positions. Without the dedication of these members the club would cease to operate. We hope to see that teamwork continue and to improve the member experience of the Club going forward for decades to come.

Happy, Healthy and Prosperous New Year to you and your families!

Capt. Jim McCarthy, President
