### July 2023 President's Message

The season has started off with some great participation in club events. We had a record number of participants in the Junior angler Fishing tournament with 34 anglers this year. Next up we have the Offshore Invitational followed by the Fluke Tournament at the end of July. We then roll into the White Marlin Open, Ladies Billfish Invitational, and Mid-Atlantic.

**2023 First White Marlin was released by Bill D'Antonio on the Bad Kitty

2023 First Blue Marlin was released by Will Jobs on the Pair of Docs.**

**Congratulations Bill and Will!!!**

- **CMMTC Sponsorship Packets for 2023** – Please consider supporting the club through sponsorship; these sponsorships benefit both you and your business. They are crucial to support the ongoing operations and Capital Improvements at the club.
